Andrea Romano, Director

aromano@hcesc.com

Dear Adult Ed Instructor,

As you are well aware Hunterdon County Educational Services Commission Adult Education and ESC Administration value your participation as an instructor in our Adult Education programs. It is with that that I share with you some additional changes to the structure of Adult Education.

Due to the economic situation facing the HCESC and many businesses not only in Hunterdon County but also throughout New Jersey and the United States, enrollment in Adult Education Courses has been declining. The HCESC ***is not giving up*** on Adult Ed Classes or programming.

However, with the increasing costs of marketing and declining enrollment, the HCESC has made two difficult decisions. We will no longer be printing a brochure and we had to downsize staffing for Adult Ed, so Denise Kiceina is no longer with the program. I will be your primary contact and can be reached at 908-439-3703 x126 or email at aromano@hcesc.com.

It is every intention of the HCESC to continue with marketing the program through the use of local newspapers, television channels, school districts and through online offerings. Please share with me any additional ideas you may have, I would love to hear them. In addition, we will be updating the website to make it more user friendly.

Again, it is our hope that we can expand adult education opportunities within Hunterdon County. We welcome new ideas, creative new courses and will look forward to our continued relationship with you as instructors in the ESC Adult Education Program.

Sincerely,

Andrea Romano
HCESC Director
