Repayment Terms:

The transaction expected fund to escrow on or about May 1, 2024.. The transaction will have five (5) equal annual payments commencing August 15, 2024. The Board requests an interest rate given the requested parameters.

Escrow:

The escrow account must be with a NJ GUDPA approved financial institution. The Board requests that there be no charge for disbursements made to vendors at delivery and acceptance. Please disclose your cost for escrow on the response form. If there is no charge for the Escrow please state that. If a respondent allows the Board to choose their own Escrow Agent, there will be a \$1,750 charge included as an estimated cost. The estimated cost will be included as "additional charges" in determining Award.

Basis for Award:

The determination of award of this quote will be made based upon the lowest interest rate quote produced by the yield analysis. Any and all additional charges, including the charges for escrow if applicable, shall be disclosed on the Quote Response Form. Charges must be listed as a not to exceed dollar amount. The not to exceed dollar amount will be computed in the analysis to determine the quoted offering. Failure to disclose additional charges with the quote will eliminate a respondent's ability to request additional charges.

If there is a tie in the yield the secondary criteria will be the ~~most advantageous index~~ **length of interest rate hold**, followed by the lowest purchase option prepayment penalty. The award will be made to the Respondent whose Quote yields the lowest effective interest rate to the Board. Questions or clarifications may be directed in writing to either the financial advisor or the Board's business administrator up to three (3) days prior to the date for submission of Quotes.

Disclosure of "Rate Buy Downs":

Respondents must show actual rate. Discounts from manufacturers are discouraged and must be disclosed. If discounts to

the funders are used to “buy down” the interest rate Quote the respondent agrees to pass like amount of discount to lessee. The actual interest rate verification will be based upon the amount funded without the impact of the buy down

AMERICANS WITH DISABILITIES ACT OF 1990 Equal Opportunity for Individuals with Disability

The contractor and The Board of Education of the Passaic Board of Education (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
