

Proud to be your new Preferred Tree Service Vendor.

High Tech Landscapes was recently awarded to be your Preferred Tree Service Vendor by The New Jersey State Board of Education.

About High Tech

Established in 1986, High Tech Landscapes, Inc. has grown to become one of New Jersey's premier full-service landscaping providers. Serving both commercial and residential clientele, High Tech is committed to offering comprehensive services that maintain, enhance and showcase any property's value and appearance. Lawn & Landscape magazine continuously names High Tech one of the top 100 landscaping companies in the entire U.S. year after year.

Our Promise to You

We are excited to be awarded the opportunity to help keep your grounds beautiful. With us, you can expect the highest level of care for your trees, including:

- Tree Pruning
- Stump Removal
- Fertilization & Soil Care
- Tree Removal
- Emergency Services
- Insect & Disease Management
